THE REEVE FANCY SILKS.

AT GREATLY REDUCED PRICES.

This has been the longest silk season in the history of our store. We anticipated a great demand for silks and bought extensively. Of the former immense stock we have still left about forty patterns in waist lengths of exquisite fancy silks. We think it wise to dispose of these while the weather is still fit for silk wearing, and if price and your good judgment count for what we think they will not on one of these silks will be carried over until next season. The \$2.50 kind is now \$1; the \$1 grade is reduced to 75c and so on down the list. It's a great silk opportunity. Don't miss it.

THE PROPER THINGS IN UNDERWEAR.

We value our good reputation as handlers of proper underwear for men, women and children and our present large stock will more than live up to the demand. Splendidly made Neckties 50c; Neck and arm holes taped 3 for 25c; Lisle Vests, silk tipped, 15c, 25c and 35c; extra sized Vests as large as 40 to 50c and 60c; Splendid quality of Men's Halbrigan Underwear 25c and 35c. We carry a complete assortment of Infants' and Children's Underwear from 10c to 50c a garment.

A WORD OR TWO ABOUT GLOVES.

Our one of a kind guaranteed Kid Glove sells so rapidly that we seldom feel a need to advertise it. It is the famous F. W. L. Glove and improves with each season's output. In the unfaded Kid the Dimple at the wrist and the dressed Kid the La Rome at the same price are masterpieces of the glove maker's art. Both guaranteed.

Her Majesty's Corset

MAKES WOMEN SHAPELY.

Slender women, stout women, all sorts of women are made to look shapely and graceful when their bodies are encased in Her Majesty's Corset. This is because their celebrated corsets are made of the perfect fitting models and by retaining their shape everlastingly give to the wearer the same splendid contour as the model possessed.

If you would be shapely wear Her Majesty's Corset.

The election of a Board of Directors is the most important thing to be acted upon, from the make-up of the official staff already elected and the sturdy economy who have taken stock and from which this Board will be selected lead us to take a rosy view of the forthcoming Farmers' Festival and Fair (How do you like the alliteration?) Never in the history of Mason County Fairs has there been more vivid displayed in organization; more interest in finding the right men to push the enterprise to success, or greater unanimity of feeling among all who are concentrated in the Mason County Fair Company.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Indigestion, nervous prostration or heart failure, etc. They used August Flower to clean out the system and for restoration of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling bad and had with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing so efficacious the matter with you. For sale by J. C. Peck.

Over 2,000 Democratic Precinct Election Boards, 110 Democratic County Election Boards, and a solid Democratic State Election Board—every one the creation of Mr. Goebel or his agents—certified to the following vote cast at the election held in Kentucky on Tuesday, November 7th, 1909:

William S. Taylor.....193,714
William Goebel.....191,331
Taylor's Plurality.....2,383

The Goebel Law is the most fitting monument that GOEBEL could have.

It is now in order for the conspirators to "hang TAYLOR." They have already "damned the Republican party" until their voices have grown squeaky.

The proceedings at Frankfort, "under the forms of law," have been of such character as would have dispelled the Star Chamber in its palmiest day.

There is in Kentucky today only one kind of law, and that is the Goebel Law. Whatever it provides is right, and whatever any other law provides is wrong.

Wonder how the conspirators propose to capture Governor TAYLOR if he refuses to trek into their camp and surrender? Judging from Governor MONT'S position in the case of Hon. Charles FISKLEY, Mr. TAYLOR will be perfectly safe among the kopies of Indiana.

The Court of Appeals doesn't appear to be in much of a hurry in deciding the contest for the minor offices at Frankfort. The whole matter has been postponed till September. Meanwhile, Kentucky will try to get along with a Pretending Governor and a pair each of all the other officers. Kentucky always was just a little ahead of any other state.

The esteemed Cincinnati Commercial Tribune thinks the proceedings in Judge CANTRELL's Court in regard to the Taylor indictment are "an insult to the Judiciary and a disgrace to Kentucky." Hold on, neighbor; your remarks might apply in Ohio, but since TOM CAMPBELL has assumed command in Kentucky there can be no further insults or greater disgrace coming this way.

Of course, everything that has been done by the Goebelites at Frankfort has been done "according to law." In Kentucky when the Grand Jury finds an indictment against a person, the indictment must be returned in open Court by the foreman of the Grand Jury and entered upon the record by the Circuit Clerk, the original papers being filed with that officer, and ordinarily subject to examination by any well behaved American citizen, and most certainly by the Attorneys of the accused. Yet it appears that the late Democratic Grand Jury at Frankfort found an indictment against Governor WILLIAM S. TAYLOR, and that none of these plain statutory provisions were observed. The whole proceeding was concealed from TAYLOR and his Attorneys and from the public, and every application for information fell upon ears that were deaf. Thursday morning Judge CANTRELL, who presides over the Franklin Circuit Court, directed that a bench warrant issue against Governor TAYLOR, based upon an indictment charging him with being necessary to the murder of GOEBEL! Of course all this is "according to law"—according to Democratic law, or more properly perhaps, according to the Goebel Law. The days of the Star Chamber have come again, and this time in Kentucky.

A Good Cough Medicine.
It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Van Rensselaer, N. Y. "I have always used it in my own family both for ordinary coughs and colds and for the most violent whooping cough, and find it very efficacious." For sale by J. Jas. Wood & Son, Druggists.

MORE EVIDENCE.

It is Coming in Rapidly in Mayville.

Evidence on the following subject will prove of interest to every Mayville reader. So many people go through the same experience daily. This statement should be proof positive to every wavering doubter. Read it carefully:
Mrs. W. R. Woodward, residing at West End near Poque's Distillery, says:
"Pains in the back and other evidences of a disturbed condition of the kidneys were quickly and thoroughly cured by the use of Doan's Kidney Pills which I got at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. There is no reason why ladies should suffer from backache and kindred troubles when such a reliable and effective preparation can be had."

NEWS IN KENTUCKY.

STATE MACHINERY CLOGGED.

The Sheriff of Kentucky anxiously Awaiting an Adjustment of the Auditor's Claims.

Lexington, Ky., June 2.—Sheriff Bechtel, as other sheriffs in Kentucky, is patiently awaiting an adjustment of the claims in the office of the contending state auditors. No state taxes can be collected until the sheriff is authorized to do so by the auditor, and in anticipation of this order being punishable by a fine of \$500.

The assessment books were examined and passed upon by supervisors appointed by Taylor. The democratic contestant will be obliged to accept their work, as Gov. Bechtel appointed no supervisors. In view of this fact, an order from the republican contestant for the auditorship would be authority sufficient for the sheriff to proceed with the collection.

Taylor's Friends Fear Kidnaping.

Frankfort, Ky., June 2.—W. S. Taylor's friends here are divided in opinion as to whether he should attend the republican national convention, to which he is a delegate from the state at large. Some of his personal friends think it would be unsafe, as they fear an attempt might be made to kidnap him. In the event he should be arrested in either Ohio or Pennsylvania on the way to the convention, a new phase would be presented which might be turned into a political issue in those states in the campaign.

Directed Her Own Funeral.

Kuttawa, Ky., June 2.—Mrs. Ludie Drane died as the result of an overdose of morphine. Mrs. Drane, before swallowing 100 grains of the drug, wrote letters in which she gave directions for her funeral. She named the pastor and even suggested the text for the sermon, "Judge not lest ye be judged," and the songs. Domestic troubles were the cause. Mrs. Drane's husband having secured a divorce and the custody of their child some years ago. From brooding over this her mind became unbalanced.

Will Try to Arrest Taylor.

Frankfort, Ky., June 2.—No application has been in at the governor's office for a requisition on Gov. Mount of Indiana, for the extradition of former acting Gov. W. S. Taylor. Commonwealth's Attorney Franklin says that every legitimate effort will be made to have the warrant for Mr. Taylor's arrest executed according to the order of the court, but declined to go into particulars.

Was Once Acquainted.

Owingsville, Ky., June 2.—Clarence Smith has been lodged in jail here, charged with murder. Smith shot and killed John Gray on November 5 last. On his examining trial he was acquitted on the plea of self-defense. He was afterward indicted. Meanwhile he had left, but being ignorant of the indictment, he ventured to return with the result that he was arrested.

Killed a Bald Eagle.

Williamstown, Ky., June 2.—Lester Sargent killed a bald eagle on the farm of James Kells, near this place, which measured seven and one-half feet from tip to tip of its wings. When shot the bird was defending itself against a savage attack from a band of crows. The bird's talons were almost as large as human fingers.

Big Cattle Sale.

Lawrenceburg, Ky., June 2.—Messrs. H. B. Carpenter and W. T. Bond, of this county, have made a Simon Weil, of Lexington, 45 head of cattle, which averaged 1,100 pounds each for the sum of \$25,174.80, and Messrs. R. H. and W. F. Lillard awarded to the same party 170 head, averaging 925 pounds, for \$6,519.

Five Brothers Killed.

Greenville, Ky., June 2.—Calvin Johnson, a well digger, was blasting in a well when a premature explosion of powder occurred. He lost both eyes. His brother Henry was killed in the West Virginia coal mines just a few days ago. Five brothers have lost their lives through violence.

Will Build Coo Ovens.

Knoxville, Ky., June 2.—The Lafollette Land and Improvement Co. will next Monday award the contract for the erection of 50 coo ovens at Lafollette. After experiments are made with these, 250 others will be built. An iron furnace may follow this enterprise.

Made Her Move.

Lexington, Ky., June 2.—Instead of sending Mary Mason to jail for abusing Emma Mason, County Judge Bullock issued an order that Mary move her residence to another part of the city. "That's the best way to stop their quarrels, and it doesn't cost the community anything," said the judge.

Office for Jack China's Son.

Frankfort, Ky., June 2.—It is semi-officially stated that Morgan China, son of Col. Jack China, will be appointed by Bechtel as steward of the institution for the feeble minded here. H. J. Pickens, the former steward, has resigned.

Farmer Indicted for Murder.

Cynthiana, Ky., June 2.—The grand jury indicted W. J. Laughlin, a wealthy farmer of this county, for murder in the first degree. Laughlin is charged with the murder of Miss Ida Hien, of Connersville, last March, by an operation.

Struck By Lightning.

Mt. Olivet, Ky., June 2.—Lincoln Prather, a farmer of Marion county, while working in a field setting tobacco, was struck by lightning and instantly killed.

The Delicious Fragrance

from a hot Royal Baking Powder biscuit whets the appetite. The taste of such a biscuit—sweet, creamy, delicate and crispy—is a joy to the most fastidious.

ROYAL Baking Powder improves the flavor and adds to the healthfulness of all risen flour-foods. It renders the biscuit, bread and cake more digestible and nutritious. Royal Baking Powder makes hot breads wholesome. Food raised with Royal will not distress persons of delicate or enfeebled digestion, though eaten warm and fresh.

Imitation baking powders almost invariably contain alum. Alum makes the food unwholesome.

SHADE ON JUDGE CARRILL!

POLITICAL PROCEDURE.

Another Foul Blot Cast on Kentucky's Judiciary.

Cincinnati Commercial Tribune, June 1.

On April 19th a batch of indictments was returned by the Franklin County Grand Jury charging prominent Kentucky Republican citizens and officials with complicity in the assassination of State Senator William Goebel. Incidental accusation was made against Governor William S. Taylor, and while there was no record made of indictment against him, there was persistent report from inside sources that such a bill existed. Governor Taylor, who was absent from the state at the time, returned to the Capital and demanded service of any papers outstanding against him. He was given no satisfaction beyond the information that nothing in the records of the Court indicated the filing of an accusing document. Following his deposition from office Governor Taylor left the state for a season of rest and recuperation from the exhausting ordeal through which he had passed as principal in the campaign and contest waged with vindictive violence against him as the representative of the people in their fight for civil liberty and the maintenance of government by the majority as against the subversion of suffrage and usurpation of office on the part of a mendacious minority. Immediately the hyenas that had for months been bounding him pronounced Governor Taylor a fugitive and proclaimed through the medium of their assassin organs of disorganization and assaults on reputable character that he had fled to escape service of a bench warrant on an existing indictment. Immediately Governor Taylor's attorneys demanded publicity of the Court's records and information as to whether or not there was held in suppression any Grand Jury return of implication against him. This renewal of importunity in behalf of Governor Taylor resulted in development of the desired information. Judge Carrill yesterday.

A splendid ankle quickly cured. "At one time I suffered from a severe sprain of the ankle," says George E. Cary, Editor of The Guide, Washington, Va. "After using several recommended medicines without success, I tried the Liniment of Dr. J. Jas. Wood & Son, and to my relief came as soon as I began its use and a complete cure speedily followed." Sold by J. Jas. Wood & Son, Druggists.

Mr. W. O'Connell, County Clerk of Montgomery, and Miss Bessie Kenney will wed at Mt. Sterling June 6th.

Fatal mistakes are made by those who do not heed the earlier symptoms of kidney or bladder trouble that often end in the direst of diseases. When Dr. J. Jas. Wood & Son's Kidney Pills are used, the kidneys will be relieved and the disease cured.

News, news, news! It's enough to give a man the blues. Nobody married and nobody dead; nobody broken an arm or a head; nobody came in to talk of the "crap"; no one got boozed and started; no one got run in for taking a bath; nobody buried and nobody born. Oh, for a racket, a riot, a fuss! Someone to come in and kick up a fuss; someone to stir up the peace-laden air; somebody's comment to give us a scare. Somebody thumped under an inch of his fish; somebody run off with another man's wife; someone come in and buy up their dues; anything, anything, just so it's news.

I can't believe it. It's true, all the same. G. S. Judd sold out to Mr. White and went West. J. F. Martin then sold out to Mr. White, and now Mr. White sees that he cannot see well enough to conduct the business, so he has decided to close out his large and elegant stock of

terially made acknowledgment to the attorneys that the Grand Jury returns of April 19th included an indictment charging William S. Taylor with complicity in conspiracy contemplating the assassination of William Goebel.

Thus six weeks after the finding of this indictment, which, under the plain provisions of the state statute, should have been immediately filed of record by the Court, it is given process by the issuance of a bench warrant. Meanwhile, Governor Taylor had for days been within the jurisdiction of the Court and easily within reach of service. What has the Court to offer in justification of a course so flagrantly in open violation of law? What explanation has Judge Carrill to offer the people of Kentucky for suppressing this indictment and withholding service in defiance of a mandatory provision of the statutes making it his duty, without option, to file in open Court this bill of the Grand Jury and procure service with the greatest possible dispatch? Are the Courts of Kentucky above the law? Is the Judge not amenable to the same statutes that control the citizen of private station or the official in other departments of government? What is the meaning of so arbitrary and unwarranted a defiance of legal practice and statutory provision? Why should this indictment have been held in seclusion by the Court for six weeks, when it could have been enforced immediately when service is sought, accompanied by the declaration that it cannot be had, by reason of Governor Taylor's absence from the state and the incidental accusation that his absence is purposeful? The whole proceeding smacks of the sinister. There is significance in the opportuneness of the state action. Coming immediately following Governor Taylor's expression of willingness to accept a re-nomination, it is full of suggestion. The whole comports with the proceeding is an insult to the Judiciary and a disgrace to the state of Kentucky.
